Meeting ID: 914 0974 0841

Passcode: 082491

and take part in the kick-off presentation to discover all the reasons why this innovative Learning Pathway can benefit you!

“**Adolescence 360°**” is an interdisciplinary and collaborative course that invites students across Europe to explore adolescence from multiple perspectives. The Learning Pathway includes:

- **Adolescent Health** (online – Aristotle University of Thessaloniki)
- **Adolescent Development** (online – Aristotle University of Thessaloniki)
- **Adolescent Learning Psychology** (online – University of Freiburg)
- **Adolescent Immigrants** (online – University of Strasbourg)
- **Adolescent Well-Being Workshop Week** (elective on-site Workshop Week - Aristotle University of Thessaloniki)

The Learning Pathway is offered in the spring semester of the academic year 2025–26, and applications must be submitted by **1 December 2025** through the [EPICUR Virtual Campus Learning Platform](#) using institutional account.

Student scholarships may be available to cover travel and accommodation expenses for the on-site Workshop Week to Greece for all students of the Learning Pathway so perspective students should contact their Home University to get information on how to receive scholarship funding.

If you are a student at one of the **EPICUR Alliance Universities**, don’t miss the chance to join us online for details!
